Board of Directors
Pavek Investments, Inc.

I have examined the statement of financial condition of Pavek Investments, Inc., as of August 31, 2004 and the related statements of income, changes in stockholder's equity, and statement of cash flows for the year then ended. My examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and other such auditing procedures as I considered necessary in the circumstances.

In my opinion, the financial statements referred to above present fairly the financial position of Pavek Investments, Inc., as of August 31, 2004 and the results of their operations for the year then ended in conformity with generally accepted accounting principles applied on a consistent basis.

My examination was made for the purpose of forming an opinion on the basic financial statements, taken as a whole. The information in Part IIA is presented for the purposes of additional analysis and is not a required part of the basic financial statements but is supplementary information required by rule 17a-5 of the Securities and Exchange Commission. Such information has been subjected to the Auditing procedures applied in the examination of the basic financial statements and, in my opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.
